

LeagueAlerts

Media & Advertising | One-page Media Kit

What we offer

Always-on inventory for product drops, app launches, ticketing, betting, merch and more.

Cross-platform distribution across owned pages, partner handles and event coverage.

Creative formats: short-form video, story placements, link-out CTAs, branded segments.

How partnerships are shown on site

Each partner can include images, videos, and links to demonstrate real activations.

Examples are optional and can be added or removed at any time.
